COI statement (should be same statement as on the manuscript)

**OR**

☐ None of the contributing authors have any conflict of interest, including specific financial interests or relationships and affiliations relevant to the subject matter or materials discussed in the manuscript.
3. **Financial Support**

The *International Journal of Urology* subscribes to the “Uniform Requirements for Manuscripts Submitted to Biomedical Journals”. Contributors are required to identify explicitly all sources of funding. If the research reported in the manuscript has received partial or complete funding from commercial sponsors, the authors must also include a statement to that effect. The existence of financial support is not an impediment to publication; however, the disclosure of funding is mandatory and should be indicated in the Acknowledgement section within their Manuscript.

4. **Copyright Transfer**

The Contributor assigns to the Japanese Urological Association, during the full term of copyright and any extensions or renewals, all copyright in and to the Contribution, and all rights therein, including but not limited to the right to publish, republish, transmit, sell, distribute and otherwise use the Contribution in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so. If the Contribution was prepared jointly, the Contributor agrees to inform the co-Contributors of the terms of this Agreement and to obtain their signature to this Agreement or their written permission to sign on their behalf. Authors employed by the U.S. Federal Government are exempt from Copyright Transfer. Reproduction, posting, transmission or other distribution or use of the final Contribution in whole or in part in any medium by the Contributor as permitted by this Agreement requires a citation to the Journal and an appropriate credit to The Japanese Urological Association, suitable in form and content as follows: Title of Article, Contributor, Journal Title and Volume/Issue, Copyright © [year], [copyright owner as specified in the Journal]. Links to the final Contribution on Wiley-Blackwell’s website are encouraged where appropriate.

5. **Contributor signature**

*Ethical approval of studies*

1. By checking the appropriate boxes the Contributor certifies that a statement(s) has been included in the manuscript documenting:
   - Institutional review board, ethics committee or ethical review board study approval
   - Institutional animal care and use committee approval
   - In lieu of a formal ethics committee, the principles of the Helsinki Declaration were followed
   - All human subjects provided written informed consent with guarantees of confidentiality

2. Ethics board approval number is ________________

3. Animal approved project number is ________________

*Contributor acknowledgment statement*

I certify that all individuals named in the Acknowledgments section have given permission to be named and that no person not named in the manuscript has made substantial contributions to this manuscript to warrant inclusion in the Acknowledgements.

In signing this document, the corresponding author confirms all information provided in sections 1-5 above.
