

AUA *Annual Meeting*

May 16 – 21, 2014
ORLANDO, FL, USA

SHARING KNOWLEDGE
SETTING STANDARDS™

The American Urological Association invites all specialists treating Genitourinary Malignancies/Cancers to AUA2014!

UROLOGIC ONCOLOGY PROGRAM

Changes in the treatment of genitourinary cancers are moving at warp speed! The AUA has assembled thought leaders—both researchers and clinicians—to present a comprehensive oncology program.

Highlights:

Friday, May 16

- 8 a.m. – 5 p.m. Urologic Oncology Research Symposium: Progress in Translational Urologic Oncology Research
- 1 – 5 p.m. Crossfire: Controversies in Urology, featuring debates on today’s hottest topics in urology, including debates on prostate and renal cancers

Saturday, May 17

- 8 a.m. – 5 p.m. Live Surgeries, including Robotic Partial Nephrectomy, Laparoscopic Partial Nephrectomy, Robotic Surgery on the Cutting Edge: Extreme Surgeons and Robotic Reconstruction
Panel Discussions, including Tips in Robotic Prostatectomy and What to Do with a Patient with Elevated PSA and a Negative Biopsy
- 8 a.m. – 5 p.m. Joint meeting of the AUA, the Society of Urologic Oncology and the Society for Basic Urologic Research: New Landscape on Multidisciplinary Therapy for Hormone Refractory Advanced Prostate Cancer

Sunday, May 18

- 8 a.m. – 5 p.m. International Prostate Cancer Forum: Solving Common Management Dilemmas with New Information
- 8 a.m. – 5 p.m. AUA/NCI Joint Meeting: Specialized Programs of Research Excellence (SPORE) Workshop
- 1:30 – 3:30 p.m. Live Surgery: Prostate Cancer

Plus Poster, Podium and Video Sessions, Plenary Sessions, Courses, Forums, and more!
