

Dear Urologists in Japan

We would like to express a deep appreciation for your agreement to be an invited speaker at the 28th Korea-Japan Urological Congress being held from 16 (Fri.) to 17 (Sat.) September 2011 in Suwon, Korea. All members of the Organizing Committee are expecting that the Congress will be more fruitful with your participation.

For detailed information regarding your position at the Congress, please refer to the following information:

Session Schedule

Presenter: Ichiro Matsuzawa, Jun Chun

Session: Symposium I: Prostate Cancer (Tips and tricks of minimal invasive surgery for prostate cancer surgery to new-comer of urology)

Schedule: Saturday, September 17, 2011, 14:20-15:10

Room: Grand Ballroom A

Venue: 3rd Floor, Ramada Plaza Suwon

PRESENTATION GUIDELINES

1. Acceptable Formats for Presentations

PowerPoint (.ppt) and Adobe Acrobat (.pdf) will be only acceptable. And, the recommended video format is Windows Media Video (.wmv). *In the case of using Apple Macintosh for presentation, bringing a portable RGB connector is fully required; The Congress will not provide with it.

2. Preview Room

Location: 3rd Floor, Ramada Plaza Suwon

* Preview room is available during all hours of the Congress.

* Invited speakers must come to the preview room to upload their final presentation material at least 2 hours before the commencement of the session.

3. Presentation Room

Room A: Grand Ballroom A, 3rd Floor, Ramada Plaza Suwon

Room B: Grand Ballroom B, 3rd Floor, Ramada Plaza Suwon

To ensure that the Congress runs smoothly, without technical glitches, presenters are not allowed using their personal computers at the presentation room. Each presentation room is equipped with a computer, LCD Projector and projection-screen. Each podium will be equipped with a wired microphone and a laser pointer.

3. Weather in Seoul

Korea's climate is characterized by four distinct seasons: spring, summer, fall, and winter. In September, which is when the congress is to take place, summer will have been just ended and the weather will be cool. The average daytime temperature of October is usually around 14.4°C.

* Please be advised to bring autumn clothes for a little bit cold weather at night in Korea.

We would be grateful if we would be advised of your confirmation reply to this letter.

We look forward to seeing you in Suwon.

Warmest regards,

Sae Chul Kim, M.D., Ph.D.
President
28th Korea-Japan Urological Congress
