

# What you can experience with SIU@U?

Your SIU Congress.  
Your way.

SIU is proud to introduce *SIU@U*, a simple, user-friendly web platform that offers online access to key plenaries, the Exhibit Hall, and other unique content from the Congress. For the first time ever, the very best highlights from the SIU Congress will be available online to urologists everywhere.

- **Free** for all urologists
- Live or on-demand access to key sessions throughout the Congress
- **CME credits** while attending **live sessions**
- Unique online content, including Q&A sessions, roundtable discussions, and interviews with top speakers
- Opportunities to ask questions and give comments to presenters through the platform
- A virtual Exhibit Hall, where visitors can use interactive digital technology to explore the offerings from featured exhibitors in Glasgow.
