SGH UROWEEK 2025 FUNCTIONAL & RECONSTRUCTIVE UROLOGY

With reconstructive urology being the main theme of **SGH Urology Week 2025**, I am proud to present a series of workshops and events over a course of 3 days which will showcase the **newest technologies** and **advances in functional & reconstructive urology**.

We are honoured to have **2 international invited faculty** with us this year, **Prof Véronique Phé** from France and **A/Prof Vincent Tse** from Australia who have kindly agreed to come and share their knowledge and experience with us.

A/Prof Ng Lay Guat, our mother of reconstructive urology in Singapore, will also share her vast experience in the field.

We hope you will enjoy the programme lined up!
Hope to see you soon at Uroweek!
