Dear Dr Egawa

The Urological Society of Australia and New Zealand (USANZ) in conjunction with the Board of Urology of the Royal Australasian College of Surgeons would like to invite four senior registrars from the Urological Association of Asia (UAA) to attend the USANZ Trainee Week in November 2017.

All urology trainees from nSET1–SET5 are required to attend Trainee Week, held each year in November. This equates to approximately **90** trainees from Australia and New Zealand.

Trainee Week is hosted by a different Section (State/NZ) each year and the clinical programme is developed by the Convenor in consultation with their local Training, Accreditation and Education Committee. The programme may include some aspects of skills training (where available) together with exam practice and interactive clinical sessions.

This year, the convenor of Trainee Week is Dr Robert Forsyth, Chair, Training, Accreditation and Education Committee, Victoria.

The clinical programme will be held in Melbourne at the **Pullman & Mercure Albert Park**, 65 Queens Road, Melbourne. It will commence on **Sunday 19 November 2017** and conclude on **Thursday 23 November 2017**.

USANZ is pleased to offer the following sponsorship to your nominated registrars:

- Registration to Trainee Week from 19-23 November 2017
- Accommodation (single-room) from 18 November– 23 November 2017 (5 nights) at the Pullman & Mercure Albert Park. Additional nights can be arranged but the cost will need to be incurred by the delegate.

Please note that USANZ will also provide airport transfers. Your registrars will need to arrive by Saturday night (18 November 2017) and can depart on Thursday 23 November 2017 (the program will finish around 4.30pm).

Please do not hesitate to contact Deborah Klein, Education and Training Manager, or Kirsten Isaacs, Training Administrator, should you have any queries.

Yours sincerely

**MR MELVYN KUAN**  
Chair, Board of Urology

**MR PETER HEATHCOTE**
