including the AUA Examinations and the Main Congress from 7th August 2019 to 10th August 2019.

Please note that the selected trainees **MUST BE ENDORSED** by the President of Secretary of the National Association, otherwise the application will be considered null and void. UAA does not accept direct applications.

Should the nominees fail to turn up for any sessions without a valid reason or reason deemed not acceptable by UAA, UAA reserves the rights to ask the National Association to pay the registration fees (USD500) of the course for the nominees.

The closing date for nomination together with all required documents is **4th March 2019**, to be sent to Ms Angie See at angie.see.b.g@sgh.com.sg.

As we need to reserve accommodation, we regret that we will adhere strictly to the closing date of 4th March 2019.

We will let you know the **outcome of your nomination by 15th April 2019** via email.

We welcome more than 3 participants from each Member Nation; however they would have to find their own funding for registration fees and hotel stay. Please refer to the 17th UAA Congress 2019 website www.uaa2019.com for information on the registration fees.

This is a good opportunity for the Urology Trainees to learn and interact and would highly encourage their participation.
